Has NO ONE figured out yet that this company doesn't seem to know what they are doing?
Another spill today this time it's a blockage.

Let's add this to the list of excuses!

- Rains
- Grease
- Melting snow
- Blockage's

We are so tired of these excuses, they need to sell to our city at a **FAIR PRICE** and get out.
If I hear one more of these ridicules robo calls from this company I think I am going to go over the edge!

Is anyone besides me fed up?

It's almost every day!

These SPILLS have become the norm.

These "NO SWIM" signs are becoming an eyesore.

Where are you EPA & DHEC it's time to fine them & show us you are listening!!!!

We need less talk and more Action!

Jolene & Jerry Church
